Organisation concerning COVID-19

updated: 20.05.20

MSc program									
KSL-itr	Name	Study Program	Place	Planned	rescheduled	new dates	Cancelled	Held (online/beforehand)	Wish for replacement time/date
418758	Accessory Minerals	MSc	Bern	9.3./16.3./10.3./11.3./12.3./18.3. 6.4. Exam	exam	exam: 28.04.20, 15:15-17:00		everything is online	
399889	Advanced Carbonate Sedimentology	MSc	Fribourg	25.-29.05.2020	x	Spring 21			
441287	Applied geochemistry and thermodynamic modelling of cement hydration	MSc	Bern	25.-27.03.2020	x	30.03.-20.04.20			
3775	Cathodoluminescence Microscopy CL Practical course (prer)	MSc	CL-Labor	upon request					
4333	Cement and Silicate ceramics	MSc	Fribourg	25.-29.05.2020				Lectures given through audio-commented and animation-assisted powerpoint presentations stored on Moodle. Details will be communicated to the students before the Eastern holidays	Exam: oral exam (scheduled). If oral exam is not possible one could imagine a written exam with questions sent by mail.
102341	Chemical Evolution of the Earth	MSc	Bern	6.3./13.3./20.3./27.3./1.5./15.5./29.5./22.5.				x	Exam in exam weeks, online if necessary
6487	Contaminated Sites	MSc	Fribourg	20.-24.04.2020			x (external teacher from private company)		If there are students who needs the ECTS, we can replace the course by a written report.
3629	Electron Beam Microanalysis: Theory - EMPA, SEM, TEM CL	MSc	Bern	17.2./18.2./19.2./20.2.				x	has been held
102778	Electron Microscopy Analysis - EMPA: Practical course	MSc	Bern	upon request					
5936	Engineering and Quaternary Geology - Advanced Lab Course	MSc	Burgdorf	27.-29.04.2020	x	29.-31.07.2020			
102520	Environmental- and Limnogeology (incl. field course)	MSc	Bern / Viewwaldstattersee	17.3./18.3./19.3./20.3.				x	2 days field course as planned in August
4639	Field Logging of Tunnels and Boreholes	MSc	Bern	18.-20.05. 22.05.2020	x	26.-28.8.2020			on hold, potential postponing July / August 2020
440337	Field Trip: Oceanic Lithosphere and subducted equivalents (Liguria)	MSc	Field trip	11.-15.05.2020	x	Spring 21			postponed, coordination new date
459491	From Waste to Resources - and the Challenges in between (Excursion)	MSc	Exkursion	02.-03.04.2020	x	Fall 20 / Spring 21			essay for those MSc students that need ECTS for finishing
551_0535	Geology, Sedimentology and Palaeontology of the Swiss Jura	MSc	Fribourg	04.-08.05.2020	x	Fall 20			
10604	Interpretation of Seismic Profiles around the world	MSc	Fribourg	23.-25.03.2020				Pdf online - Paper copy sent at students home address	
3781	Laser-ablation inductively-coupled-plasma mass-spectrometry - LA-ICP-MS	MSc	Bern	19.-20.03.2020	x	not fixed			
3467	Methods of Mass Spectrometry	MSc	Bern	02.-05.03.2020	x			x	
102507	Nördlinger Ries Excursion	MSc	Exkursion	6.-9.6.2020	x	07.-10.09.2020			
4331	Palaeoceanography and Pelagic Microfacies	MSc	Fribourg	to be determined	x	not fixed			Date communicated later (summer 2020, fall 2020 or spring 2021)
8800	Quaternary Dating Course	MSc	Bern	30.03.-03.04.2020 08.05. Exam			Fieldwork for TCN Fieldwork for OSL Radiocarbon Dating: Theory & Practice (Dr. Irka Hajdas) TCN: Practice (Case Studies-1) Landslides and in-situ 14C (Prof. Dr. Susan Ivy-Ochs) Why do we need AMS? (Dr. Marcus Christl) Laboratory Visits	x	Zoom Sessions (until April 30th): OSL*: Theory (Dr. Natacha Gribenski) Tephrochronology (Dr. Peter M. Abbott) Zoom Session (April 1st @09:00) TCN**: Theory (PD Dr. Naki Akgar) Podcast (April 31st @13:00) Argon - Argon Dating: Theory & Practice (Prof. Dr. Klaus Mezger) to be announced: Uranium-Series Dating: Theory & Practice (Prof. Dr. Samuel Jaccard)
452789	Rock and Paleomagnetism	MSc	Bern	27.2./28.2./23.3./24.3.				x	
8799	Single Crystal X-ray Diffraction	MSc	Bern	27.04.-29.04. 01.05.2020				Can be conducted online but without practical hand-ons in the Lab.	Alternative shift lab part by 2 months - depends on the decision after Easter, possible postponing to SA20 or SP21
28350	Stratigraphical Micropalaeontology	MSc	Fribourg	09-13.03.2020				Already held (such as initially planned)	
103421	Stratigraphy and Chronology	MSc	Fribourg	07.-09.04.2020	x	Fall 20 / Spring 21			
717	Surface Processes, Geomorphology	MSc	Bern	11.2./24.2./25.2./16.2./16.3.				x	
682	X-Ray Powder Diffraction	MSc	Bern	07.-09.04.2020	x	12.-22-May or from the middle of August on			

green= all good/can be held
 yellow = rescheduled
 red = cancelled (potentially postponed)
 purple = courses given by UniFR (rules according to University of Fribourg regulations)
