Institute of Geological Sciences

Upcoming talk on mineral exploration

Exploration Geology: A challenging yet rewarding career

Speaker: Thomas Krebs is a former student of our Institute in Bern. He has been an exploration geologist for 13 years in Africa, focussing on target generation, geochemical exploration and managing of grassroots exploration with emphasis on Cu deposits in Zambia and Botswana.

Where: Studer Auditorium, 2nd Floor, Baltzerstrasse 3, Bern

When: Friday 20 December 2019, 15:15–16:00 hrs (last afternoon of semester, incl. beer!)

Contact: L. Diamond diamond@geo.unibe.ch
